“ Nadine and I were lifelong friends. We shared so many amazing memories. I will love her forever.

Jean Headen

The poem below represents our life.....

The Broken Chain.....

Little did I know that morning  
That God was going to call you home.  
A piece of me went with you,  
You did not go alone.

We kept each other's secrets,  
We shared each other's pain.

We prayed to God together time and time again.

In life I loved you dearly,  
You were my very best friend.  
And although you're now in Heaven my love still knows no end.

Our friendship chain is broken and nothing is the same but when God calls me home  
to Heaven the chain will link again
