“ Judy, Trivia, Grady and grands , know that " Weeping may endure for a night, but our God promises us joy in the morning. You can sense this joy knowing that your mom was an living epistle of what God wants us to be. She exhibited the Fruits of the Spirit. Galatians 5:22-23. Most noted was long suffering, humbleness, meeknesss,patience and love. Her living was not in vain as she touched so many with her quiet spirit and beautiful smile.

Rejoice knowing Ms. Aldonia has received her crown for a job "Well Done"here on this earth , which was not meant to be her permanent tabernacle.

Bless the memories of her in your heart, knowing one day you will see her again.

“ From seeing this lady through Facebook and the comments on this woman, she's a woman of God, a nice mom and bought her children up the right way. My heart goes out to the Newsome family. Mom is in heaven now looking down saying kids I am ok. Keeping doing what you been doing and smile that I'm in heaven enjoying singing and praising with God.

You have truly been wonderful daughters/caretakers for you mother. As far back as our days at C.S. BROWN, I remember you all talking about your mom and what a great mother she was and how much you loved her. I know she will be smiling down on you forever. May she rest in eternal peace. May you find courage in the days ahead through Christmas Jesus!
