“ Having an opportunity to be your English/Reading teacher at C.G.White Middle School was indeed an Honor, Anastasia. You were a great and hardworking student, and every day was a fashion show whenever you arrived because of your style and beauty! On behalf of all of your former teachers, I want to say that it was an Honor to serve You! Rest in peace, my dear, you fought a good fight, and when God saw that you were getting tired, He stepped in and said that you have had Enough! The late Bob Marley once said, "One Love, One Heart, Let's get together and feel all right!"

Anastasia, you have already gotten this Party started!

“ I will never forget when I started playing the piano for Holly Grove Baptist Church and Anastacia would attend with her beautiful mom. They brought life into each and every service. At the request of Pheobe, and Florence Powell I worked to organize a choir. Anastacia had an angelic voice, and her smile was so encouraging to all. I am glad that I was able to sit and talk with her in Burger King a few weeks back. My thoughts and prayers are with the entire family. God has definitely picked a beautiful rose for His Heavenly garden. Go Rest High On That Mountain! You will be missed, but never forgotten!
