“ Nancy and Junie, I am so sorry for your loss. Angela was always as nice and kind as she can be and i remember us running around when we were younger. You guys have always been favorite cousins of ours to visit when we come home. I will miss her. God has taken her to suffer no longer. Anything i can do for you and your family please just ask and know that God will wrap his arms around you and keep you during this painful time. Sorry fully yours

“ Nancy and Junie you and your family are in our prayers. We understand your pain all to well. Angela was always a sweet and respectful child to us. There is only time and Jesus can heal a wound of the loss of a child. Keep looking up, that is where you will find your strength. Diane & Roger Eason SR.

“ I am so sorry for your loss. May it help you to know that God's word at Isaiah 25:8 says: He (God) will swallowed up death forever. He will wipe out all tears from our eyes. No longer will we mourn or pain from losing a loved one, because God know the pain it bring to our hearts and he love you and your loved one. I hope this bring you and your family comfort during the difficult days ahead and in your time of need.
