“ My sister(who was in the previous note) and I used to play with Angela, Katrina, and Lakisha as we were neighbors as children as well as cousins. Whether it was playing basketball, playing in the playhouse, on the merry go round, or climbing down in the big tractor tires stacked all in the edge of the woods it was always fun! The 5 of us were together basically every day. Makes you wonder were all the time went. It saddens me deeply that Angela is gone. I've spent the years since learning she was sick sending up timbers for her praying that God would heal her. However, instead He chose to let her rest. Although we are all saddened we must keep in mind that He never left her side, even until the end. What her eyes behold we could only imagine as the place He's prepared for us is more beautiful than anything we could ever experience. We will always love and miss you Angela.

“ My sister and I used to play with Angela and her sisters everyday for years. We were all as close as cousins could be. We'd be at each other's house (we lived next door to each other) until it got dark playing: basketball, badminton, kickball, in the playhouse, etc. Angela was my best friend for a number of years. I pray that the Holy Spirit comforts the family during this time. I love you Angela. Family, I love you too.
