“ I was truly sorry to hear about the passing of Ann earlier this year. Ann and I shared classes together at Elizabeth City State University, and every time we saw each other, she had a smile on her face, which brightened up my day if i was feeling down. But you know, the Word says, "To be absent from the body, is to be present with the Lord", so I know Ann is smiling right now, waiting for the day she can reunite with family and friends on THAT great day! Be encouraged family and know that God WILL help you through this time and in the days ahead....for those who believe in Him!##imported-begin##quincy saunders##imported-end##

“ I just learned today that a great friend and sister of mind has left me alone, every year in Nov, we would meet there at the middle school for for festival and hug each other being so glad to meet again. Ann play an important role in my company Carl's Balloons and Cartoon since about 2001. Ann's passion for history and heritage in and around the murfreesboro area will be sorely miss by me and all her friends. My dear Ann I will miss you but glad we had this time. If anyone there need to contact me please call or write to carlsballoons@yahoo.com or call me at 757-338-0470.

“ Ann and I were childhood playmates and classmates in school. Henry and I are so sorry about her death. Yet, Jesus gave us the promise that "all those in the memorial tombs will hear his voice and come out." May this promise sustain you now and in the days to come.
