“ My beautiful aunt, words can't express how much u meant to me. I've been lost of words and not fully grasped the fact that you are gone physically but my dream of u with Grandma Sarah, Uncle Boone, Aunt Kay Kay and my Daddy Ray let's me know u are ok. I hear your voice calling my name and I can never forget all the times we've had together. You will definitely be missed and I will be here for my cousins if they need me. You have done your work here and I know that one day we will see each other and rejoice. I LOVE U AUNT PIE ALWAYS.... KEEP LOOKING OVER US..💜💜💜 YOUR NIECE LISA

“ *To my cousins (her children) Linda and the family, I send my heartfelt condolences to you all. Our families have been connected in several ways for years. Beginning with her aunt and my aunt being neighbors in Windsor, VA. when we was kids. Pie was a sweet spirited person, very special to us and we loved her dearly. Her beautiful smile and our hour or more long conversations when we did talk, will always be remembered in my heart. I pray that great memories will also help you all through the difficult times. Love you all, and take care of each other, ❤️*
