She was a blessing to all that crossed her path. God has called another of his children home saying, Well done my child, you have been faithful.

From the Knight family of Franklin Virginia, cousin Dot Knight Townsell and daughter, Tara Askew and family of Upper Marlboro MD. We will not be able to be with you but you all are in our prayers.

“ This matriarch , my cousin, my go to person, my confidante , the one who would let me know all my family events. I feel a tremendous loss a sudden and an abrupt change in this family structure. Her voice was calm and always pleasant and her smile always greeted you along beside that smile. Let the works she has done speak for her. I can go on and on about the many things she has done that shows her demeanor as an individual. She held me up when I was dealing with my own loss. She was more like an Aunt than a cousin. Her patience goes beyond measure . I am forever grateful for all the love she has shown to my family structure . Your spirit will live on in those you have left behind.

To my cousins (Valerie , Butch , Keith, and the grandchildren) I know the loss of a mom there is no pain that can describe it.but the memories will sustain you and God will hold you up during the many days ahead. I love you and it our time to carry this torch.

“ *Anna met everyone with that smile. She was always more interested in your life than hers. I have known her all of my life as she was good friends with my parents. She was a fixture at Mill Neck and I never sat down at that piano without first going out in the audience and breaking bread with her. She was one of the kindest people I ever met. I will miss her greatly. Melvin C. Lawrence. Ph.D*

“ 🤔😭😭 My name is Lacron Beale Aunt Anna played a huge part in my life and in alot of my decision making. She was a great role model and great person just in general. She was a simple lady that only wanted the simple things in life like apple pies and Pepsi cola's. I will never forget you ain't anna you were a mother to me just like you were to your kids so I feel like I have lost my mom this dont feel real. 😞

“ My condolences and prayers to the Hudson/Whitehead family. May God comfort you during this difficult time.. I share in your sadness, because Cousin Anna was my cousin. Her Mom and my Grandfather were first cousins. My memories of Cousin Anna will always be special, because she is the reason that I'm a musician at Mill Neck. When I started taking piano lessons, she told my Grandmother that he will be our musician one day. When I turned 13 yrs. old, she gladly encouraged me to come and serve as the Senior Choir Organist. She was a great singer and she loved the choir ministry.

Also, my wife, Latia was very close to her; they would talk all the time. Mill Neck will not be the same, because she was a pillar in the church. I will always remember her and Cousin Annie Cooper, because they sat together in church and they would talk with me after service. Rest on, Sweet Cousin Anna!

To Valerie (Cookie) and family, my mother (Julia Myrick Bradley) and myself were deeply saddened to learn of your mother's transition. Although we did not see each other often, and it has been quite a while, we always tried to peep at her during our trips to (Como) Millneck Cemetery to visit the memorials of our deceased Myrick & Cooper family members. Cookie you were so very comforting to me when my daughter was hospitalized some years ago (around 2008). You all are in our thoughts and prayers. We pray God's strength and comfort for you.
