“ To Sandy and family, thinking of you during this difficult time. My deepest sympathy to all of you. I always enjoyed listening to you talk about your Mother and all the adventures you had together. Plus I loved all those sayings she had, I still use some of them from time to time (like the empty wagon).

“ Mrs. Holley has been a special part of my life for over 25 years and I loved her dearly. She was truly a blessing to me. If I could use just a few words to describe her they would be Godly, loving, strong, honest, wise, and comical all wrapped in one. Her keen memory of people and things over the years would always amaze me and keep me talking with her for hours. Losing her is like me losing part of my very own blood family. I will miss her dearly, but will forever remember the days we sat in her living room and laughed and all the words of wisdom she imparted. To Sonya & the entire family, I love you much and have you in my continuous prayers.
