“ I can't believe your gone. The last time we saw you we had so much fun! Every time we saw you was fun! The first time I met you and your daughter I was like why you wearing a big book bag. Your like its comfortable that's my Xbox. Next thing I know your taking a tour of my house carrying a big box of pink mega blocks for the girls. My daughters love you and your daughter so much! From the pool parties and bbqs to you helping me and Jose dl music on our computer bc were old folk and we don't know how haha! No music cds or movies for us lol And all our late nights hanging out and beer pong in the garage and messing with who was drunk and passed out first. I gotta say you were always a great dad. Your daughter came first and you always made sure she had her lactose milk! And I remember you left ur Xbox remote and ur lil bro came with u to get it and some jerseys. And another night we had to clean my house at like 2am me u and baby momma. the 3 girls pulled mad toys out the play room and how they would scare us on the stairs. And make food messes everywhere hahaha. And you an Lopez with the hair. I'm pr I have such nappy hair I can't do dread locks maybe Lopez can and Jose well he's lucky he got hair left hahaha. You always said I was a good cook maybe I'm not but you were very polite! New Year's Eve I can't believe was the last time we seen u. We almost didn't go out bc I hate all the drunk drivers out. But I felt bad bc it was just you mike his wife and kids haha. So we came and I'm so glad bc we ended up having so
Much fun! I'm glad u realized I was drunk and I wasn't trying to say you had dirty hair. Just us Puerto Ricans are greasy an we can't be
Doing that kind of stuff to our hair. I really wanted to cry but you were so nice to me!! You were always sooo nice Anthony!!!!!! I'm gonna miss seeing your Toyota in my driveway with the "e" break on!

If Anthony's baby mom reads this if you want in time to contact me prangel1023@me.com

I am so sorry for the loss of your sons. No words can take the pain you feel away. I hope the stories of how amazing and sweet your sons were helps you thru these hard times. Your sons and granddaughter are in my thoughts and prayers forever I can never forget anthony. He is a great person! I hope he's holding his brother in his arms and there keeping each other strong. :(lots of love Lisa and Jose Campos-Zayas
