My heart is so very heavy at this time. However, I have some precious memories of our last visit together. We had lunch together and Wagg and I sang a short duet. Chenail, God is too wise to make a mistake and he is able to comfort you in the days ahead. Your Mom has a crown waiting for her and keep God in your life and prayers. Til we meet again. Brother 🙏

“ *What great Memories I have of my dear Aunt Audrey. She and my late mother, Sadie Reed, were sisters! Whenever I looked at one, I saw the other! They favored one another, and both were great cooks, also. We all traveled to Newark, New Jersey, together, many times, to attend funerals of our relatives. Aunt Audrey gave the Best cookouts, and no one could make chopped barbecue, Luke she could, after Uncle Lonnie had killed hogs! Her coleslaw was Amazing, also. She worked in the X-ray Department for over 40 years, at Roanoke Chowan Hospital, in Ahoskie. A black woman, working in that department, was a rarity. I was so Proud of her! I am so glad that I went to visit with her, about three(3) weeks, ago. We had a great conversation! Take your Rest, Aunt Audrey, your work here has Finished! You left here, one year after my mother and stepdad. Y'all are back together, again!❤️*
