“ Open skies were purchased for the family of Barry Moore my spirit brother. Please accept my deepest condolences from the myself and the entire Sessoms family. Barry was more than a friend, brother and leader to me and so many others. He was my protector and a reality check guidance to life as a man. Barry touched so many youths and children's lives from his love and community leader in Hampton, Virginia. He was my role model as a friend and the great example of a great man. I will miss Barry very much. I love you Home Boy. Rest in Peace,
