“ *I have known BJ most of his life. But we became good friends when he was a student at RCCC and I was teaching there. He was smart and determined to be a better person. And he did just that. Checked in on me daily. Gave me a beautiful plant on my birthday...which I still have. He was dedicated to taking care of his dad until he passed. So glad BJ made peace with his Heavenly Father before he passed. He will be missed.* ”

“BJ came into my life when I married his cousin. Almost daily he would call to inquire after Thomas and to share the news of the day. He was a gregarious people person and made many lifelong friendships.

Several years ago during a serious illness he came weekly and mowed our grass. He never asked for anything but did it out of his love for his cousin.

One of his favorite meals was my lasagna. He would often tell Thomas. Anytime Miss Daphne is ready to make that lasagna I sure would like it. I wish I was able to do make it for him one more time.

The week before he passed he called Thomas and said simply “pray for me”. We were able to visit and pray with him that day. I believe he had made his peace with his Savior before he passed.

I would like to mention the faithfulness and care provided to him by his sister Kay after he became ill. No one could have asked for more than she gave as she advocated and cared for him.

Thomas and I will greatly miss him.
