“ My dear sister Yvonne: I am so very sorry about your mother's passing. There is nothing that can take the place of a mother's love. I didn't know her, but your parents having raised "WONDERFUL YOU" speaks for itself as to the good people that they were. Miss Bertha was a pretty lady. Just looking at her pictures made me know she wasn't just pretty on the outside but also on the inside. She had that same beautiful smile and that pleasant look that you have. When you are missing her, think of the good times you had together, the love you shared, the tight bond that you had, the storms of life that you weathered together, and the list goes on and on. Love leaves memories that no one can steal. Death leaves heartaches that no one can heal. But God is with you now and in days and months to come so continue to lean on HIM and on your FAITH. I am here for you whenever you need me. I love you so much my sister. Rest in peace Miss Bertha.
