“ Betty my only regret is I did not check on you early this. Thats one is on me.

I remember when Roy Lee (your husband) first brought you around the family, we looked at movies, played games, laughed and ate tons of popcorn. Those were the good ole days, Itis saddening to see them go. Betty you will be missed. Stephine you were still small the last time I saw you. Now you are moving on without your mom but you are not alone and you are loved.
