Beulah was a very kind and loving person. I met Beulah when she started working at Hertford County Middle School. She always greeted me with a smile no matter how bad she was feeling. She would always listen to my problems and tell me don't worry about it every thing will be alright. She will truly be missed by many. Heaven has gained a beautiful Angel. My condolence's goes out to the family. The last words Beulah said to one of our friends is the she "Was Going To Ride Out The Storm" and that's what she done. Rest In Paradise my friend.

“ *My deepest condolences goes out to the Monger family, whom i have known for a very long time. We use to be next door neighbors growing up, so I have very fond memories of all the times that went spent together. I pray that you find strength in knowing that God never makes a mistake, he has taken a beautiful soul from pain and suffering to a life of peace and joy. So be encouraged and in knowing that all is well and you will meet again.*
