“ To Carretta's family and friends, I had the pleasure of teaching Carretta while I was at HCHS. She was a very special young lady who became part of my heart in our Early Childhood Education class which taught over at Bearfield. Even when I left HCHS, she and the members of that small close knit class would occasionally find me on facebook and remind me of something they thought about during internship. My prayers will continue for you all throughout these difficult days. May God strengthen you and help you all heal from this loss.
