“ *My name is Ricky Perry. I'm Cecilia's brother in-law. This is my true one of a kind sister in-law. She and I were more like brother & sister. I loved my sister in-law Cecilia. We always found time to joke on one another whenever we met. I loved going over to she and my brother's home when I was a child. She made the BEST peanut butter cookies I had ever tasted back in the day. She was a Pepsi cola fan for life. She always wanted a Pepsi cola whenever I told her I was going to the store. Even in her later years as she became ill, we always had our fun in conversations whether on the phone or in person. I don't recall she and I ever having any kind of disagreement with one another. We just enjoyed each other company from day one. I Loved all my sister in-laws without a thought, but Cecilia was then and will always be my FAVORITE out the group. I could go on and on as these tears fall from my eyes, but this is a memory of her and not a crying moment. I end this with a simple, I LOVE YOU CECILIA MELTON PERRY. Heaven has received a good one and I know her care is in His hands forevermore. God Bless her and Heaven has received her. I am happy for the life and time of my sister in-law Mrs Cecilia Melton Perry. Love you girl...*
