“ Sending prayers of comfort to the Lee Family, may God continue to heal your broken hearts and give you strength to press on. Charles will be sorely missed by all of his family and dear friends, I will surely miss him being the first person I see when I go home, he was always right there to welcome me and my family in, and the breakfast in the morning was always on point because Charles made the best grits that I have ever tasted. To Juliet: he was your rock and anchor and he was a good husband, To Junebug and Tony he was a good father to the both of you and the best grandad to his grandkids., and he was just like a brother to Beverly and I. We all loved him but we know GOD loved him best.

God saw you getting tired and a cure was not to be, so he put his arm around you and whisper “Come to me” with tearful eyes we watched you and saw you pass away, although we love you dearly, we could not make you stay. A Golden heart stopped beating hardworking hands at rest, God broke our hearts to prove to us, that He only takes The Best.
