“ Uncle Charles you where more than an uncle to us. You where our second dad. You would step in when we needed you. I will always remember your prank phone calls. The prank phone calls would always end in long laughter. And you would always mention how your niece Shanae Smith gave you \$1 for your birthday when she was 3yrs old. How special it made you feel. You will truly be missed. We will miss our family gathering as well. We love you with our heart and soul. May your should rest in peace. Your Niece, Cynthia Smih.
