“ Cheryl was a good friend to our family. She expressed such a strong and sincere love for everyone. Always giving hugs, saying "God bless you", "I love you" and giving such a sincere smile to all. Anyone could have a friend in Cheryl. We worked together at RES, shopped together, shared lunch at a variety of places, talked regularly on the phone....Our last conversation was when she called me about a week and a half ago to inform me of the changes she was experiencing....never complained, just expressing what she was going through.....but always asking about how I was doing, how my immediate family members were doing and calling them each by name and telling me she was praying for us and that she loved us. She adopted my mother as hers for more than 15 years. Cheryl sent beautiful cards and tokens all the time until her health would no longer allow her to. I will treasure those cards and our friendship forever. Most sincere condolences to Charlie and Darryl and family from Gilda and James Marsh and Lavinia Watford. Rest sweet friend and be at peace. Much Love.....Gilda

“ Cheryl has always been such a kind and gentle person, always caring about others in her quiet way, and had a fierce love for her family when she spoke of them. I have no doubts that she has been enveloped in her Saviors arms and heard the words, “Well done my good and faithful servant!”
