“ I remember when you gave me, your nephew and niece somewhere to stay until we got our own place. That’s when you introduced me to the Cowboys, and I have been a fan every since. You always knew how to keep a smile on my face, even through any tears I may have shed. As your baby sister, you always made me feel protected. When you and sister invited me to be in y’all wedding, y’all made me feel like a princess. You always called me baby sis and that little girl in me felt the love you have always shown. I will always cherish the memories. I never thought that our last reunion and last talk on the phone, would be the last time I heard your voice. I will miss you and always love you. You hold a piece of my heart always and forever. Rest on Big Bro. You have your wings. 🥹❤️
