“ *Chris will be greatly missed. He was one of my best friends and cousin. We graduated from Bertie in 1975, but didn't find out that we were cousins until ECSU. We stayed in touch all of these years. Whenever I went home, he and I always went out to lunch and reminisced about the good old days. RIP Chris, and we will meet again. My condolences to the family.*

May the Ancestral Angels welcome you home!

Beloved Nephew, Chris, was our eldest Nephew. He was loved/admired by many for his upstanding character and good heartedness. He was an exceptional self-taught Master Mechanic in Automotive field, and any type of equipment that had an engine. He applied his first love of Art to restoration/repair of automobiles. He was self-employed in maintaining an automotive repair Garage for several years in Merry Hill, NC. His specialty was restoring classic/vintage cars & trucks. He graduated Elizabeth City State Univ, having, earned a B.A, degree in Art Education in 1982. He retired from Avoca Farms, Inc, in manufacturing and maintenance of mechanical systems.

He leaves behind a legacy of Artistic creativity and self-taught skilled knowledge of auto engines & engine mechanics in general.

“Gone too soon. Chris will be sorely missed by all who knew him. He was the first among his siblings to go to college. He was a graduate of Elizabeth City State University, with a degree in elementary education. Chris was also a naturally gifted artist who could draw realistic images from sight. Over the course of his life, he pursued many interests that led to steady employment, income, and investments. He loved tinkering with old cars and had a tendency to collect them, to the dismay of neighbors. He also used his income to invest in real estate which provided living quarters for him and family members. His declining health led to his untimely death and our loss. Rest in peace, Chris! 🙏”
