“ *To The Family of Mrs. Fields,*

I have good memories of Mrs. Fields because she was a beautiful woman, inside and out. She and Rev. Fields used to come up and visit my former church, Emannuel Baptist, where her brother was a member.

My success with typing was due to her, and I'm thankful I had the opportunity to let her know how appreciative I was for her teaching.

May God continue to comfort and strengthen you during this most difficult time.

*Prayerfully,

“ *Darlene and Hugene, thank you for sharing your mother with so many of us at Central High School years ago. She was an amazing teacher, friend and guidance counselor who personifies "May The Work I've Done Speak For Me". I had a wonderful business career because of her caring leadership. She is one of my SHEROES who is now in the ARMS OF JESUS. REST IN PEACE FOREVER MORE!*

“ *Mrs. Fields was my Business Education (keyboarding) teacher at Central High School. She was an excellent teacher. I remember the year we had new typewriters, not electric. She was not one to sit at her desk. She monitored all students. I was one of the students she selected to represent Central High at Chowan College for a typing contest. Upon entering ECSU after graduating from Central, I majored in Business Education. Having such an excellent background from her in Business, I had no other choice.*
