“ aCalvin,Shelia, Pete, Tookie, DJ,, Aunt Florence, and Darlene. It is with heavy hearts we submit these words that we hope will comfort you during this difficult time. I still cannot wrap my head around the fact that my uncle “Dappy” has transitioned to be with the FATHER. The hardest part of being present with the FATHER is one must be absent from the body and those we love. Your Dad had a patience and tolerance not held by many people. A proud man who was committed to the family who chose him, as well as the family he chose. I could share many memories of having him in my life and how our family is better for having the privilege of calling him family. When he saw something needing to be done he probably asked “ if not me then who” to tackle it and get it done. Though your hearts are heavy now in the upcoming days the pain will become less-and-less as time passes and you will find yourself smiling as you remember something he did or said. Remember GOD has a plan for us all. He never makes a mistake. You all are in our thoughts and prayers.
