So sad to hear of the passing of Mrs. Perry. She was my first grade teacher at P.S. 145 in Brooklyn, NY from September 1991 to June 1992. As a teacher, she was perfection. Smart, nurturing, fair, compassionate, energetic, and the list can go on and on... I wished to have an opportunity to visit with her before she passed, but as the saying goes; "I just never took the time". I eventually became a doctor starting a private practice in NY, and I can only hope people will remember me as fondly as I remember Mrs. Perry; three decades later. I love you Mrs. Perry, and you are forever in my heart. Thank you for being the best teacher to walk the earth.
