“ To the Jeffcoat and Myrick family, you have my condolence.
The passing of your love one has left a pain in my heart that in time, only GOD can heal.
Cutha was more than just my friend, she was like a sister to me. I will never forget the good things and the good times we shared. But, Cutha has now taken that journey that we all must take and each of us must take that journey alone. Cutha Jeffcoat LOVED her family, please let's keep that love alive.
