“ *Danny and I have been friends since childhood and though, as adults, we didn't see each other as often as we would have liked, our friendship remained strong. He truly was a good friend to my entire family, particularly my brother Jackie. I am very sad and yet, very happy to have known him. Family, please know that my thoughts and love are with you.*

“ Condolences 🌸 to the Green Family. Mr. Danny was a great friend to us. He would always cut up with my mom when they saw each other. He would always stop in from time to time to see us. Danny knew how to make us laugh and we enjoyed his company. It was always a pleasure to see him. The barn in the back yard he put the sheet rock in. Thank you Danny for being a neighbor and true friend to the Boone family.

You will be deeply missed. You were everything a grandfather should be—present for every holiday, birthday, and celebration, always showing up for everyone.
