“ *David has always been a part of the family since I was a little girl. He and my brother married sisters and built their houses side by side, on highway 13. He was always jolly and showed love, he always told me how could I sing. All my life he'd say "that gal can sing" RIP David. prayers of sympathy and comfort to his children and family.*

“ Sincere sympathy to the Boyd family. David will be missed by us all as he has always been apart of our family and community. A childhood memory, he always played Santa to us kids. He would come throughout our neighborhood late evening Christmas Eve to make sure all were in bed waiting for Santa to come.
With Sincere Affection
