“ Cousin Dennis,

My deepest sympathy goes out to the family. Dean's gentle spirit will be sorely missed. I'm so grateful we had the opportunity to spend a little time together, enjoying each others company remembering the good times spent. As time moves forward it seems our circle of family gets smaller and more precious. I pray that God provide strength, support and understanding during this time of sorrow. Most of all, may God keep our family close and loving, as our beloved Dennis has been lifted by Angels to God's home. Love, cousin Debbie Lassiter.##imported-begin##Deborah Lassiter##imported-end##
