“ Dear Donald, I cannot believe the news that you are gone. Due to covid, I haven't been to the gym for a year and didn't find out the sad news til Feb 26. Last time I saw you I was rehabbing my shoulder after surgery. You were so encouraging to me. You were a joy to have in my spin class and whenever I saw you in the gym. You had everything blissfully planned out: fix the knees, retire, travel, have fun. I've not met anyone more full of life, joy, optimism. I cannot believe, no more. I hope you are smiling and laughing in heaven, helping and encouraging others. I will never forget you. God bless and rest in peace and joy.

“ Donald you were a picture of health so it saddens me to hear that you're gone so soon. Even though it has been a while since I seen you at the gym....your smile and your talks and advice truly made my day. You truly will be missed.

Lil Bro, I cant believe it's real. I will never forget you. You,Ralph, A.W. & me. played together everyday. You guys taught me how to defend myself. You tried to teach me to ride that dang pony. I never did get it right. You even played basketball in our backyard(neighborhood basketball court). Last time I saw you we were talking about a reunion with all 4 of us. I can still hear your laugh. Rest now & receive your crown. I will truly miss my friend & classmate. My sincerest CONDOLENCES & PRAYERS for your family. 😘💜

“ *My deepest condolences to the Gibbons family.My heart will always have love for my long time best friend and brother Lil Bro,I spoke with him on Nov. 1st which was his birthday .He seem to be happy and in good spirit,he spoke of his love for people and The Lord Jesus as he would often do when we talked.Because of this I am at peace with his passing. My brother has graduated to the highest honor,to be absent of the body is to be present with The Lord. My goal is to try and live a life of love like my brother Lil Bro did so I can see him again in all his glory in our eternal home with The Lord Jesus Christ!!! Much love to the Gibbons family .Ralph Britt*

“ Me and my friend Gibby as I always called him! We both recently retired and had plans to get together and blow clouds as he would say! I was so ready to get together with my friend! I told him I'd go to the gym with him and continue the friendship we had inside the yard! This is so heartbreaking to me and the many who knew this brother! The same talkative guy who would wear my ear out every time! I was always ready to ring the bell as though it was a match when he and my other friend Reggie Best would conversation! Ding I would say and the talking match between those two was on! Some people are and will always be a part of our lives! And whether with us or gone into the next journey! They will never be forgotten! My friend Gibby is and will forever be a part of my life and thoughts!
