“ I'm so very sorry to hear of your loss. Ms. Doristene was a nice person & I loved how she didn't mind saying what was on her mind. It is comforting to know though that the Bible promises that soon death will be no more and we wont have to worry about losing people like Ms. Doristene again. Isaiah 25:8 "He will swallow up death in victory; and the Lord GOD will wipe away tears from off all faces; and the rebuke of his people shall he take away from off all the earth: for the LORD hath spoken it." May you find comfort in your many memories and the Bible's hope for the future & my deepest sympathy is with all of you!

“ I can say Tene was one person who did not bite her tongue, she said what was on her mind and that was that. The last time I seen her she gave me the biggest hug ever, she just couldn't tell me enough how proud she was of me and my life. She said you done put tears in my eyes. I am happy to say she was a great mother, grandmother, and aunt. She will be truly missed

“ *My beautiful cousin! We will miss your beautiful smile on this earth. But H E A V E N you are getting a Queen! I was talking with Ricky and he stated so gracefully on that you were a caring person. Ricky stated that you never asked for anything and would never take a handout and there probably was many times you needed it. But guess what our God always provided for you. Tell my Mama (Bernice) we miss her. Now she has my look alike and Aunt Mildred to tell her what's been going on this earth and who has been acting up. Missing you already!!
