“ To Larry, Darrin and all love ones of Dorothy. I send my heartfelt condolences to you. I had the pleasure of meeting and getting to know Dorothy at Gwaltney, now called Smithfield Foods. We worked together in the casing department. Sweet spirited, caring and an unforgettable beautiful smile. We shared great times there as well as shopping trips and other gatherings. I will miss talking with her, we had our way of informing each other of anything that were going on with our ex coworkers. My heart is heavy but at peace knowing that she's resting in our Heavenly Father arms, with no pains. May her beautiful memories bring you all comfort during the difficult times now and later. Get your rest Dorothy. Rest In Peace!!❤️
