“ David & Family, It is our prayer that during this time God's promise is being fulfilled, "Blessed are they that mourn for they shall be comforted" Matthew 5:4. Our prayers are with you that in this hour of darkness, the love of God will shine the brightest. May The Lord continue to bless you all.

“ I remember meeting my great-aunt Dorothy in the early '90's. I went to visit her in VA and she took me to a Holy Ghost, foot stomping church. I will never forget that experience. The name of the pastor was Michael Rogers and when I moved to NC I met up with her once again at a Deliverence church praising The Lord. I can truly say that she walked with God. She will truly be missed. She has faught a good fight, she has kept the faith and when we see Jesus she will wear her golden crown. Thank you Jesus for this virtureous woman. Amen!

“ Each time I was in her present she always had a smile on her face. She was a very kind hearted and loving person. I know she will be missed by the family. May each of you find comfort in the life that you shared with her.

“ i remember my first time seeing my Aunt Dorothy I was about 7yrs. old I was in N.C for the summer visiting my grandmother & my cousins told me that is your Aunt Dorothy and she's a preacher. She was driving a Grand Prix car and she spoke with me and hugged me and she said you looked just like the Jones. As the yrs went by I would see her every-time I went to visit my late Aunt Elizabeth. I love talking with her & she fell in love with my daughter Megan. I think God for those times b/c i never had a chance to meet a few of my mothers siblings. Rest now my aunt until I see you again

“ To the family, Grandma as I called her has always been a blessing that molded the family together with her love and assurance that God could make all things better if you trust and believe his word. Be encouraged as God bring joy in your time off sorrow. To be absent from the body is to be present with the Lord. Hold your head up knowing that we will see her again one day.
