“ Uncle Earl, growing up I remember being so excited knowing you were coming home. I could hardly wait to get home from school, because I knew you and uncle Lonnie would be there. I didn't want your visit to end. I will always love and miss you dearly.

“ Uncle Earl it broke our hearts to lose you but you never went alone, for part of us went with you, the day that God called you home. Continue to rest because in 2021 God came and got one of the best. God saw you getting tired and a cure was not to be. So he put his arm's around you and whispered "come to me. Love always
