“ My prayers and condolences go out to the Family and friends of Ecomi Scott. We shared many moments talking about life growing up in North Carolina. It was during one of our chats we discovered that we lived less than 2 hours apart. In fact members of my family had friends in Ahoskie. She was a loving and kind friend of mine and I am really going to miss her, nor will I forget her. God bless all of you

“ *My condolences to the Family of Ecomi Stanley Scott. Ecomi was such a loving, caring person. I met her through another friend Frances.Foster. I remember calling her on several occasions whether I was in Maryland or in another state asking her to pray for different family members that were undergoing some type of medical procedure. She did, and her reply was she felt privileged that I asked her for prayer. I will forever have Fond memories of her gathering at my home, Frances home, Lucy Johnson home and her home enjoying togetherness, fun, laughter and good food. I was always complementing her at Church about how gorgeous she looked in her stylist attire. She would give that beautiful smile and thank me.*

There will come a day When your tears of sorrow will flow into tears of remembrance and your heart will begin healing. Until that day comes, I pray that God continue to bless the Family and uplift all of you during this very difficult time.

Ecomi was a special lady! Always pleasant, always positive and always had a kind encouraging word. I remember my last conversation with her! Even though she was not feeling well and hospitalized, she was still pleasant and positive! She's gone on to be with the Lord and she's safe in His arms! My prayers are with the family! May God strengthen you and keep you!
