I learned of Mrs. Boone's passing after it was over and I was truly hurt. She was a very special lady. She always greeted you with a smile. My fondest memories of her are the conversations we shared after school at Sunbury School. I sometimes would wait and give her a ride home since I didn't live too far away. She will be missed. We loved her, but God loved her best. RIP, MS. EDNA.

“ Miss Edna was a special friend. I’m going to miss her so much. We worked together at Sunbury School and she was always helpful and kind. She loved the children and they loved her. After Sunbury School closed, she and I would talk on the phone or I would occasionally visit her. She was thoughtful and had many friends. She blessed us with her smile and sweet spirit.

“ *To the family of Ms. Edna, she has been part of our family for our entire life. We grew up knowing her. She lived a hop, skip and a jump down the road from us. She kept us when we were little. My mom also said she could trust her. Each one of us loved and worshiped the ground she walked on. Ms. Edna, kept in contact with us throughout our growing years. She helped mold the adults we became!!! She was a loving, affectionate, and christian lady. The entire community loved her!! She always had a smile on her face and a beautiful laugh! Her smile and laughter was contagious! I will never forget her coming to our grandparents home one day. The car that she was driving had slipped in the ditch. She told my grandmother, "the car just had a mind of its own. So it decided to go in the ditch". We all laughed and enjoyed her so much. While working at Sunbury School, she watched over June and John Thomas. She said; she would walk through fire to protect them. I believe she would have! She watched over every child at school with her motherly love!!!! She was truly an asset to the Gates County School System! I remember Kathy and Randy talking about what an excellent worker she was at Sunbury School. We will miss Ms. Edna's, smile, laughter, and love for one another!!! Heaven has gained a wonderful Angel!!!!*

“ To the Family of Edna, I pray that GOD will comfort you at this time as only He can. Edna has been a part of my life, my whole life. I'm sure she at some time change and cleaned me up as a baby. She and Joe were always involved with our family as I remember as a young boy. After Joe's death, it seemed like Edna grew even closer with our family! She was always at our family events; when kinfolk came from out of town to visit, Edna would be there to see them also! It was just natural, as it should be! A funny memory I have, around 1974 was getting Edna on the back of my old Honda motorcycle, riding her around the yard!! That was a thrill ... for both of us!

And a few shrills too!

Then as I became a dad, my kids really thought of Edna as a Grandmother. Seeing her at school gave them a warm feeling of a kindred

spirit. No matter what the other kids said, they still referred to her as Grandma Edna.

Finally, last summer; unknowingly to Edna, I was working in Washington state; she woke me up at 3 AM to ask me if I could power

wash her house. I agreed once I got back home. Being as she live in my grandparent's old home, it seemed natural and comforting to know Edna lived there, and cherished the old homeplace. Again, it was just natural, as it should be! She was Loved by all my family Edna was Family!

With much Love! Chuck Eure and family!

“ To the Family of Sister Edna Boone,
This was a true saying of you, you will forever
be in our hearts,
God's Blessings Upon Everyone touched by
your voice.

100 Make a joyful noise unto the Lord, all ye lands.

2 Serve the Lord with gladness: come before his presence with
singing.

3 Know ye that the Lord he is God: it is he that hath made us, and
not we ourselves; we are his people, and the sheep of his pasture.

4 Enter into his gates with thanksgiving, and into his courts with
praise: be thankful unto him, and bless his name.

5 For the Lord is good; his mercy is everlasting; and his truth
endureth to all generations.
