“ Dear brother, I will really miss you! Football will not be the same without you. Who will I call to talk trash with after the Washington Commanders have beat the Dallas cowgirls? When I call you would act as though you weren't at home and sometimes not pick up the phone right away, but I knew you were there and eventually you answered my call. That's one of the things I lived for every football season. But seriously, the pain you had is no more, and we will meet again, Hallelujah! Love you, from your sister.....me (Jewel)
