“ Hi I'm sending my condolences to the family Elsie Mae I had not known her very long over a year and a half or so. I met Miss Elsie January 1st of 24 and I fell with her the first time I met her. She is my boyfriend's grandmother so I've always called her grandma. She reminded me so much of my biological grandmother. It's unreal when I got the news that Miss Elsie mae have pass I fell to pieces. She's gone but not forgotten. Please rest easy grandma until we meet again. Love you so much! Love your favorite granddaughter of all, Lynn wheeler

“ It was with the greatest sadness that I learned of the passing of my dear Elsie Mae. She helped my mother, Edla Stallings, who was a beautician in Hobbsville, for at least 30 years and we considered her a part of our family. When my father died, she sat with us at the funeral and when my mother passed, she sat with me.

There was none more faithful to our family than her and I deeply mourn her loss.
