“ *My first thought off hearing of my pastors passing,was God called home a good one.Loving husband, loving father,a true God fearing man.As the days go by,I find my self tearing up,because of the loss we all have to adjust to,and the void that we have to live with now that you're gone.You are my pastor,friend,and you invested in me,when I couldn't figure why.I learn that through your life,I experience God on a higher level,that many don't notice,and take for granted. You were my example of God working in my life,and the way I should carry myself before Gods people.On behave of the Tann family,you will be missed,always loved,and always cherish in our hearts.*
