“ Miss Emma is Murfreesboro history. One of my favorite people to see when I would spend time there. I think of her and nothing but a smile goes across my face. It was one of my missions for my children to meet her, and when she did she treated them as loving as she did me all those years ago. Rest well, Miss Emma. You have more than deserved it.

“ Ms Emma and the Ruffin family are part of all our histories having grown up in Murfreesboro or surrounding areas. As an adult, I always stopped at the store when home and Ms Emma always greeted you with a smile and an encouraging word and always remembered something about our early childhood . The Harris family from East Main St sends love and sincere condolences to the family.
