“ Although I never met him, I get a sense of his essence through his offsprings. Just a little while longer and death will be no more. But for now, he is resting in peace.

“ I'm going to miss "Lil Buddy" as he was affectionately called by those that knew him. He never minced his words, told things to you just as he saw it and had a great sense of humor. One thing I know for a fact is that he loved him some Jean Miller. He would always make mention of her and how he was looking forward to seeing her again one day...
