“ Word's can't express the way I feel.. you were my company at work on a regular basis .. I heard so many stories about your family.. And when I met Tasha seemed as if I already knew her. She was a duplicate of you. They say GOD put people in your life for a reason. I'm glad that person was you.

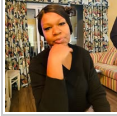

Terrisha Hamilton - October 22, 2015 at 11:38 PM

Thank you sooooo much Terrisha...My momma often would walk in there and say "I gotta see if my girl workin today". She didn't take to many ppl but from day one, she bonded with you. Thank you for looking out for her and keeping a watchful eye on her while she was in your presence. Stay blessed!

Tasha Hathaway - October 23, 2015 at 09:41 AM

“ To my family,my thoughts and prayers are with each of you. Cousin Ethel will be missed, I will definitely miss seeing her out and about with Trinity and/or Dee Dee or alone and all I can see is her smiling and ready to spark a convo. God knew what was best but she is gone from us physically but daily she will be with us spiritually. May you find comfort in GOD to pull you through..Love each of you!!

“ Ms Ethel was full of love and life and gave it freely to all. A overcomer a conqueror. She left a big whole that can not be filled, except with the memories she left in us.
