“ To the Warren Family:

We were utterly shocked and so sorry to hear of your loss . Please accept our deepest condolences and we pray that God will comfort you in your time of grief. He has promised to comfort those who mourn.

On a personal note, Eulalia has had a profound impact on my life in ways that I cannot begin to describe. I always admired her command of the English language and her ability to articulate and enunciate it. When I was very young, about 6 or 7, I met her for the first time. I vowed then, that I when I grew up, I would speak just like her - and I did. And I went on to host a radio broadcast for 15 years, entitled "The Voice." Eulalia was my inspiration.

On a familial level, she and her family were always present at family reunion gatherings and simply a delight to be around. She will be missed.

Blessings and love to the Warren Family and all those you hold dear.
