“ Aunt Evelyn, your heart was always so wide as the warmest beach. Despite the fact our family is as vast as an ocean -- whenever my ship sailed back toward your loving heart, there was always a spot in the sand for me.

We all miss your smile, your laughter, your hugs, and your heart...When you look down upon us, know that you should be proud of the work you've done with the hearts and souls of your children, grandchildren, sisters, brothers, and friends.

Say hello to Uncle Frank and Uncle Otis for me. May God bless you!

Love,  
Leon, Kim, Jabari and Alex###imported-begin##Leon Thornton Jr.###imported-end##
