“*Felecia Dianne Raynor Sanderlin my (sister) it bring tears to my eyes everytime some one says her name,She was an inspiration to me and others, we grew up dressing alike same outfit but different colors. Mom did an amazing job raising us by herself, we never had to want fir anything. Fee, you was an awesome sister, and good person my heart is broken 💔 but one day, we will see each other again. I have tried to process this but God had it all worked out. I didn't get a chance to say goodbye to you, but the lord knows best. We are love you unconditionally sometimes we have our ups and downs but we get over it. Rest on my sister can see you smiling right now.i know you will be walking around heaven all day everyday...love you always and forever your sister Lila Stanley*

“*Felicia and I are first cousins, our mothers are sisters! She played such an important role, in helping to comfort me, when my Mother(Sadie Reed) passed away in 2021. Yes, we are cousins, but she was also, a great friend! We had some great times and conversations! Lord knows, I am truly going to miss her! Her sudden death has stunned me, but I have gained another Angel to help watch over me! Felecia was such a hard and dedicated worker! Now, she can take her Rest!*
