“ *Juanita and family members,*

I was not able to share in the homegoing service today for Cousin Geneva (out of town for personal reasons); however, you are in my thoughts and prayers.

She was an extremely lovely and stylish lady. I simply loved when she visited Red Oak Grove AME Zion Church in Gates and gave remarks while she still lived in New Jersey.

May the memories you shared sustain you during this very difficult time of your loss.

Your Cousin and former classmate,

Emily Cross

My sister Carolyn Cross James should have already contacted you.

“ Dear Juanita,
I thought that I would have been able to come to Cousin Geneva's service today; however, I could not.
Please allow me to say that I condole with you during this time, and you are in my thoughts and prayers.
As i reminiscence about Cousin Geneva: My thoughts are that she was always very kind, thoughtful and Christian in her talk and walk. It was joy to be around her because of her words and very presence. She was understanding, smart, and got along with all.

With Condolences,

Clarence L Cross, Jr

“ Just wanted you to know that I'm thinking of you at a time that's filled with so many memories and feelings of you mom. Also remembering Sister Canada singing and leading the song "He Did It All By Himself." May joyful memories console you during this time of bereavement. Evangelist Etta Griffin and Family

“ It was with sincere sadness I learned of the transition of Sister/Trustee Geneva Canada. I knew Ms. Geneva for most of my life; first as a young girl growing up in the Abyssinian Baptist Church in Newark, NJ and later as a founder of the Genesis Baptist Church in the same city. Ms. Canada was a role model for young black women , a successful business woman and a devout and committed example of a woman of God. She was tough cause you needed to be to survive the times but she enjoyed the fellowship we all shared in the family called Genesis. I will always remember her :Swedish meatballs:+} as I will always remember her.

On behalf of my family and myself we extend our deepest condolences
