“ So sorry to learn of the passing of Mr. Mitchell. I feel fortunate that he crossed my path in life. Mr. Mitchell served very effectively as Principal in Bertie County during my tenure as Superintendent of Bertie Co. Schools. Even though it has been many years since we served together, I still recall his big smile and constant positive attitude towards work and dedication to his students.

“ My sincere condolences goes out to the Mitchell and Cherry family. I remember years ago back in the mid 60's. My family lived on Hwy 13 Piney Woods Chapel area. Mr. Mitchell had a nickname we called him "GF" back then. Everyone that knew him in that area called him that. I would see him driving his dad old farm tractor. Going on down the farm path to the field. Everyone helped each other on their farms back then. When I entered into middle school. Mr. Mitchell was a teacher there. No more calling him "GF." Good morning, Mr. Mitchell. Good morning "Bazemore" he would say. You were one of the best. Take your rest.

“ *My sincere sympathy to all the family. Mr. Mitchell had a profound influence on my career. I began teaching in 1985. He was my first principal. He exhibited a high level of professionalism that I will never forget. His demeanor always would make others want to do better, be better, and look better. He cared about the students of this county and served them well. I considered it an honor to be part of his team throughout my early years. I will remember him with respect and fondness always. Rest in peace. Sincerely, Mrs. Lisa Williams Dozier*
