“ Annette, Shirley, and rest of the family: I am so saddened about the passing of Gloria. Even though I didn't know her, I feel as if I do. Annette - you and I have been close friends for a long time - to the point that we adopted each other as "sisters" and this is what we will always be. So, when you hurt, I hurt. As you all are missing Gloria, think of the good times you all had together, the love you all shared, the hurdles of life that you all faced together, and the list goes on and on. She will live in your hearts forever because of the many memories that are embedded in your hearts. Death leaves heartaches that no one can heal. Love leaves memories that no one can steal. Gloria is happy and at peace now as she rejoices with God, the angels, and all of those that she loved so dearly who went to be with the Lord before her. Know that I love you all, and that I will be thinking of you in days and months to come. Please let me know if there is anything I can do for you. God has you ALL because HE is in full control and HE will take this journey with you all the way for HE will give you strength and comfort. Rest in peace Gloria.

“ *To my cousin and friend, you will be greatly missed. We were two peas in a pod growing up. Remembering the days we walked back and forth to Rivers Mill and picking them juicy plums by the road. Oh lets not forget the black berries. We was together all the time of my childhood and I promise to remember all of the great times we had. I love you Jean and your smile will forever stay in my mind and heart. Fly high my angel.*

“ *Jean will be missed at Mt. Sinai and Chowan University. She was better known to me as Jean Bean; I gave her that nickname. She was always smiling, encouraging others, and she was always busy helping in the kitchen at church. When I was a student at Chowan, Jean and Martha Sneed would always have me laughing.*

*Enjoy Jesus, Jean Bean!*
