“ Hey Grandma. I love remembering you how you were. I didn't attend your service and for me, that's good. I really don't need to see you in the past tense. I love the memory of your smile. Your beautiful black curly hair. The gold tooth (blingggg). You and PG watching tv with us. You giving me and my sisters all of your pink gum. It was a joy to have a grandmother like you. My dad loves you so much! We picked out gifts for you every holiday. Your slippers lol. You loved them Everytime. I'm happy to know you are feeling much better now. It keeps me warm. I love you lots and lots.
